

REMARKS

The courtesy of the Examiner in discussing this amendment and the problems with it, is gratefully acknowledged. One of the issues raised in the discussion on August 31, 2005, was where on the signature page the Registration Number should appear. While Attorney for Applicants thinks that the registration number should appear in the signature block, the Examiner held that it should appear "immediately" at the name, as it is below. Although the signature block is done in this paper as discussed, clarification is respectfully requested as to the interpretation of the Rules section 1.4 (d)(2).

The amended paragraphs have been corrected to include markings. At the Examiner's suggestion, the instruction to substitute Replacement Sheets 10/15, 11/15, 12/15, 13/15, 14/15, and 15/15 for the corresponding sheets, is being repeated in this paper, although it is noted that the Replacement sheets are not actually included with this paper, but were submitted with the January 2005 amendment.

The Claims in the case are 40-51. These correspond in general to Claims 1,31; 7-16; and 26,29, respectively.

The remarks in the paper dated January 11, 2005 are relevant. Early consideration and prompt allowance of the pending claims is respectfully requested.

Respectfully submitted,

/Hesna J. Pfeiffer/
